

A vibrant sunset scene of the Singapore skyline. The sky transitions from a deep blue at the top to a warm orange and red near the horizon. The city's skyscrapers are illuminated with lights, and their reflections shimmer on the water in the foreground. A yellow airplane icon is positioned to the right of the word 'Singapore', with a yellow line trailing behind it as if flying across the sky. The word 'Singapore' is written in a large, white, cursive script with a drop shadow. Below it, the word 'ITINERARY' is written in a bold, white, sans-serif font, also with a drop shadow.
